JABRA LINK™ 14201-20

Electronic Hook Switch
Adaptor for Alcatel phones

REMOTE CALL CONTROL AND VOICE RECORDING

The Jabra Link 14201-20 enables remote Electronic Hook Switch Control (EHS) with Jabra wireless headsets and a range of Alcatel phones.

Jabra wireless headsets with EHS functionality boost productivity as they provide the user with the ability to answer and end a call, while away from their desk.

THE EHS ADAPTER ALLOWS THE USERS TO

- Hear ring tones
- Answer and end calls
- Adjust the volume
- Mute the microphone

All from their headset and quite convenient, when they are up to 150 meters/450 feet away from their desk. The integration of desk phone and headset allows users to benefit from enhanced mobility and the ability to multi-task while on a call. The wireless freedom improves work efficiency and ergonomics throughout the day. As a special feature Jabra Link 14201-20 has a voice recorder socket which allows the user to record important conversations.

HOW IT WORKS

The Jabra Link 14201-20 is a plug-and-play solution that converts from the EHS standard used in Alcatel phones to the DHSG or GN Netcom RHL standards used in all Jabra wireless office headsets – and vice versa.

COMPATIBILITY

The Jabra Link 14201-20 is compatible with a wide range of Alcatel phones. For more details see the technical specifications on page 2 or visit www.jabra.com/alcatel.
